Work Experience

@ Our National Conversation

UI/UX Design Intern

Collaborated on a site redesign, performed competitive analyses, presented design solutions to stakeholders, and developed multiple iterations of interactive prototypes. Engaged in a user-centered design process focused on ideation and refinement.

 SEP 2021 - PRESENT 3.5K

@ Northrop Grumman

Software Intern

Worked closely with the engineering team to assess and optimize software interfaces. Attended business meetings with clients, compiled scripts for engineers, and wrote code for simple features in Python.
